Good morning Denise,

Thank you kindly for your assistance on this.

The police powers we are seeking would be in line with what is usually requested for RCMP S/Cst. I have attached the justification for your ease of reference in this case.

We are still on hold for the list of applicants at this point. As we receive them I will ensure that we forward them off to you ASAP.

Thank you again in advance.

Hi Ferzana:

It was a pleasure speaking with you just now.

Would you please let us know:

- what additional police powers you're seeking to provide to these 50 SC appointments;
- when do you plan to provide us with the 50 applications

Since you're in the process of completing the applications for these 50 individuals and to speed things up while waiting for the applications to be completed and provided to us. Would you be able to forward us the following on an official letter in order that we can get things moving on our end. Please note that the following information has to be correct and accurate as it should be on the completed applications when providing to us later.

Please also bear in mind this only a one-time option that we're recommending due to the time constraint and the urgency of the appointments,

- Name of the appointee
- Date of Birth
- Job Description
- Geographic Jurisdiction
- Police Officer Powers
- Name of the Employer
- Name of the Sponsoring Police Service and Contact Info.
- Duration of the Appointment - please indicate if its "new" appointment and/or "reappointment"
- Use of Force Equipment

As soon as we receive your 50 appointments applications, we can then finalize our appointment process and forward you the necessary documents as per usual.

Thank you,

Denise

Good morning Denise,

Per our phone conversation this morning, we require an urgent approval of appointment for 50 RCMP members as Special Constables for the Demonstration currently ongoing in Ottawa. We are working on getting the forms filled out and hope to submit this to you as soon as we have them. We would require urgent approval by your team today if at all possible. If you can advise on any needs from your team on who we need to contact, who may be able to assist, that would be greatly appreciated.

Thank you,
Ferzana
